The Lovers (Les Amants) (1958). B&W. 90 mins. (French, Subtitled: English). Video Released May 2008. Directed by Louis Malle. Louis Malle unveiled the natural beauty of Jeanne Moreau in his breakthrough, Elevator to the Gallows. With his follow-up, the scandalous smash The Lovers (Les amants), he made her a star once and for all. A deeply felt and luxuriously filmed fairy tale for grown-ups, perched on the edge between classical and New Wave cinemas, The Lovers presents Moreau as a restless bourgeois wife whose eye wanders from both her husband and her lover to an attractive passing stranger (Jean-Marc Bory). Thanks to its frank sexuality, The Lovers caused quite a stir, being censored and attacked for obscenity around the world. If today its shock has worn off, its glistening sensuality and seductive storytelling haven't aged a day. Criterion Collection. DVD. (ISBN: 978-1-60465-039-6(7), UPC: 7 1551502962 9) $29.95.

Loving Not Wisely but Too Well: Othello, Specialness, & A Course in Miracles, 2 cassettes. Video Released Jan. 2004. Author Kenneth Wapnick. Shakespeare's "Othello," looked at through the lens of "A Course in Miracles," offers a penetrating if not painful insight into the nature of guilt; its origins in our special relationship with God, and its shadowy expression in our personal life of special relationships. Othello's choice to believe in Iago's lies?the ego's thought system?rather than Desdemona's innocence?the Atonement?is discussed from the perspective of our need to destroy love, and then experience the horrible consequences. of the ensuing guilt. Othello's decision to trust his "friend" and murder his wife on the grounds of infidelity is irrevocable; not so, however, our decision for the ego, which can be undone in the instant we choose to trust our true friend and practice his lessons of forgiveness. Thus does Jesus add a "sixth act" to Shakespeare's five-act tragedy. Foundation for "A Course in Miracles". VHS. (ISBN: 978-1-59142-131-3(4), Order #: V30) $30.00.

Lynching: Postcards from a Heinous Past. 22 mins. We meet James Cameron, who tells how he narrowly survived being lynched by an angry mob in Marion, Ind., when he was sixteen years old. He was dragged from his home, and falsely accused of raping and murdering a white woman. As a rope was being placed around his neck, the sheriff intervened and had him imprisoned instead - for the crime he never committed. He has created a museum in Milwaukee to keep alive the memory of man's inhumanity in which are picture postcards from the early part of last century recording the public spectacle of lynching. Make a Good First Impression. 29 mins. Age: 15-UP. Video Released Jan. 2003. Most employers form an impression of a job seeker in the first seconds of an interview-if it's not good, few job seekers can overcome it. Research shows that 50% of an employer's hiring decision is determined by the candidate's attitude and job search skills-the part that job seekers can do something about. This DVD uses a humorous, clever storyline to convey traits that tend to create a positive impression during interviews: appropriate responses to questions, enthusiasm, maturity, confidence, emotional stability, appropriate appearance, intelligence, work experience, language fluency and verbal skills, potential for advancement, initiative, controlled energy, body language, clear career goals, good grades, and outside activities. Here we examine the teachings of the Lord Jesus Christ-teachings so simple that we can all understand them and so profound that we can never exhaust them.The author shows that the secret of the Savior's lessons on prayer is in a vision of the greatness and glory of God that brings us into true heart-communion with God, as Christ has revealed Him.In the Lord's Prayer, the Savior teaches us to get beyond the rhetoric and pray effectively. Masterpiece or Forgery? The Story of Elmyr de Hory. 52 mins mins. Video Released Aug. 2005. Elmyr de Hory was called "The Myth of our Century" when he was revealed as a master forger in 1968. Born in 1905, he made an estimated 1000 fake paintings, primarily in the style of the post-impressionists before he died - or disappeared - in 1976. In addition to faking paintings, Elmyr de Hory often faked his own identity, and traveled easily throughout Europe's high society. Even his death was the subject of much speculation. His paintings were sold throughout North America, Europe, and Japan, and their total market value is estimated to be over one-hundred million dollars. Many fine and rerspected galleries and museums are in possession of what they believe to be a valuable "Matisse" or "Modigliani," but which is in fact a "de Hory." This fascinating one-hour documentary, directed by Norwegian filmmaker Knut Jorfald, was shot on location in Europe and America, and includes interviews with such friends of Elmyr's as author Clifford Irving, actress Ursula Andress, notorious smuggler Anthony Hugo, as well as William Robinson, curator of the Fogg Museum of Art in Boston, and David Breuer of Sotheby's Auction House in London. Janson Media. DVD. (ISBN: 978-1-56839-265-3(6), Order #: 20313, UPC: 646032031393) $24.95.

Messiah, History, & the Tribulation Period: 2005 Prophecy Conference (on DVD), 9 vols. Based on a book by Tim Cohen. Color. 876 mins. mins. Home. NR. (Narrated: English). Video Released Nov. 2005. Author Tim Cohen. Featuring Tim Cohen. Instructed by Tim Cohen. In July, 2005, Tim introduced his forthcoming MESSIAH, HISTORY, AND THE TRIBULATION PERIOD multi-volume series - in seven prophecy conference sessions held over three days in Odessa, Texas. The following sessions are available on either eight DVDs (DVDPack01) or twelve CDs (CDPack01): Some Highlights (on "Messiah, History, and the Tribulation Period") • Some Hermeneutics (Biblical Interpretation) • The Real Rapture • "The AntiChrist and a Cup of Tea" (An Overview and An Update) • On Feasts and Prophecy • Question and Answer Session • The Passover: Israel Conformed to Yeshua's Crucifixion, Death, Burial, and Resurrection. The DVD set also includes a full-length live interview with God's Learning Channel on a ninth disc. Even the most seasoned bible and prophecy "veterans" will find that there is much to learn from Tim. Prophecy House is convinced that you will find Tim's prophetic teachings at this "Messiah, History, and the Tribulation Period" conference to be the most instructive, the most informative, and the most powerful relating to prophecy and the Person and work of Yeshua (Jesus) that you have ever heard. In fact, there has likely never before been a prophecy conference offering this much biblical understanding and knowledge. This is the one which you, as well as all the Church of God in Christ, truly cannot afford to miss!. Prophecy House, Inc. DVD. (ISBN: 978-1-933689-03-6(X), Order #: DVDPack01) $144.95.

Messiah, History, & the Tribulation Period: 2005 Prophecy Conference: on Feasts & Prophecy, 2 vols. Based on a book by Tim Cohen. Color. 181 mins. mins. Home. NR. (Narrated: English). Video Released Nov. 2005. Author Tim Cohen. Featuring Tim Cohen. Instructed by Tim Cohen. In these two DVDs (DVDPack06) or three CDs (CDPack06), which are from Tim's 2005 "Messiah, History, and the Tribulation Period Prophecy" Conference, Tim demonstrates that all the biblical feasts are fulfilled in each of the major biblical weeks (i.e., the Crucifixion Week, the Week of History, and the coming Tribulation Week). This understanding will greatly impact your prophetic discernment, as well as that of the entire Church in days to come, related to God's Holy Days. For example, as Tim demonstrates, it is untrue that the relative timing of the coming rapture can be determined on the basis of the prophetic fulfillment of the feasts. Like Tim's "The Real Rapture," this too is revolutionary, and once again, Tim surprises and astonishes with the depth of the biblical knowledge and understanding he has received from God. What Tim offers here will further challenge and change the views of many who have been led astray by the common prophetic half-truths of our time. Catch this - you'll be glad you did!. Prophecy House, Inc. DVD. (ISBN: 978-1-933689-15-9(3), Order #: DVDPack06) $44.95.

Messiah, History, & the Tribulation Period: 2005 Prophecy Conference: The Passover, Israel Conformed to Yeshua's Crucifixion, Death, Burial, & Resurrection, 2 vols. Based on a book by Tim Cohen. Color. 200 mins. mins. Home. NR. (Narrated: English). Video Released Nov. 2005. Author Tim Cohen. Featuring Tim Cohen. Instructed by Tim Cohen. Taken from Tim's 2005 "Messiah, History, and the Tribulation Period" Prophecy Conference, "The Passover: Israel Conformed to Yeshua's Crucifixion, Death, Burial, and Resurrection" is available on two DVDs (DVDPack07) or three CDs (CDPack07). What Tim shares herein will vastly enhance your understanding of Yeshua's (Jesus') crucifixion, death, burial, and resurrection; these central events to the Christian faith are more central to the work of God in all spheres than the saints yet know. Listen as Tim begins to unfold this great, transforming mystery for the Church. Not only will your understanding of the work of Christ be expanded and taken to new depths, but your apprehension of God's calling upon Israel as a nation and a people will begin to be just as transformed. This presentation is based upon the fourth day in Tim's "Messiah, History, and the Tribulation Period" volume entitled, "The Harmony of Weeks: God's Inspired 'Grand Unified Theology' Unveiled." This is the heart of all of Tim's work for Christ and the greatest example of what God has called him to accomplish for the saints and the Church; it is the "creme de la creme." Herein, Tim demonstrates that Israel as a nation suffers the typological equivalent of a national crucifixion, death, and burial at the midpoints of the Week of History (past) and the Tribulation Week (yet future); like Christ, Israel is biblically called God's "firstborn son." This has huge theological implications, and explains much about God's dealings with His chosen people throughout history. We are confident that this material will radically enhance your understanding of Christ, Israel, and God's dealings with both; it quite literally represents a quantum leap in biblical understanding and theology. Prophecy House, Inc. DVD. (ISBN: 978-1-933689-16-6(1), Order #: DVDPack07) $44.95.

Messiah, History, & the Tribulation Period: 2005 Prophecy Conference: The Real Rapture, 2 vols. Based on a book by Tim Cohen. Color. 201 mins. mins. Home. NR. (Narrated: English). Video Released Nov. 2005. Author Tim Cohen. Featuring Tim Cohen. Instructed by Tim Cohen. Taken from Tim's 2005 "Messiah, History, and the Tribulation Period" Prophecy Conference, these two presentations on two DVDs (DVDPack05) or three CDs (CDPack05) will have you glued to the edge of your seat from start to finish. This material, which is derived from the corresponding volume in Tim's upcoming "Messiah, History, and the Tribulation Period" series of books, has changed the views of entire churches on the Tribulation Period and the timing of the coming rapture! It is revolutionary, and will leave you wondering how so many in the Church could have been so misled for so long by so-called "prophecy experts," "scholars," and "teachers!" Tim makes some startling and astonishing revelations; these presentations - the most powerful ever given to the Church on the rapture - will significantly affect your views on the subject of Jesus' return and its timing for the saints. Yes, Tim also covers all the "rapture bases," to include the pretribulational, midtribulational, pre-wrath, and posttribulational views, before offering the true biblical view and timings. This is the meat of The Word, and you will come away equipped to carefully test everything you've heard from scripture. (You may find yourself watching these two presentations several times over!) False "Christian" teachers and "Christian" prophets everywhere take heed: Tim is gunning for your lies, and his aim is lethal! Those who hear Tim will no longer have an excuse to walk in a dark haze of prophetic deception. This is a powerful call to repentance for the entire Church. Prophecy House, Inc. DVD.
